

Supplier Quality Excellence Award 2020

Dear Scott and Michigan Spring and Stamping Team,

Congratulations!

You are receiving this message because your manufacturing DUNS location is being awarded our 2020 GM Supplier Quality Excellence Award! Suppliers who receive this award recognition have met or exceeded a very stringent set of quality performance criteria and have achieved the cross-functional support of the entire GM organization for the calendar year 2020.

As last year, we are distributing award certificates electronically due to the unprecedented events of COVID-19. On behalf of our entire Global Supplier Quality team, we would like to thank you and your team for the continued support and for being a valued partner.

Please watch and share with your teams a congratulatory video message from our Executive Director, Rick Demuynck and our Global Regional Leadership staff.
